Do you view the events of the end of the age through the eyes of fear or through the eyes of faith and hope?

In this video Bible study, Max Lucado provides a wise and reassuring overview of what God's word has to say on the topic of end times—so that you can be prepared, not scared.

Why think about the end times at all? Why occupy your thoughts with the "not yet" when you have enough to deal with in the "right now"? The answer is simple: because Jesus focused on the end times. So, if Jesus made the end times a priority, it only makes sense that his followers would as well.

God has told us what to expect from the end times not to scare you but to prepare you. He is like a pilot on the intercom telling the passengers about impending turbulence. A good pilot keeps his travelers informed. Your good Father does the same!

Come join Ed Jobses and friends for Adult Bible Study, Sundays at 9:15!
